Please ask the Food and Beverage Team for allergen information in order to make your own menu choice. Please note some products on the menu contain allergens and not all ingredients are listed. This product information may change due to suppliers therefore please make sure you ask for allergen information or inform us of your allergies/dietary requirements every time you make a purchase. This information covers the 14 major allergens. If you are having difficulty viewing this please ask a member of our team. Equipment in a restaurant/kitchen area is shared and cross contamination may occur, therefore some products may not be suitable for those with allergies. Allergens are only declared if they are intentionally added to a product. Our suppliers and chef's take great care to remove any bones from our boneless items however there could be a small chance of finding one.
